

A vibrant water play area with colorful structures and people playing. The scene is set in a park with lush green trees and a clear blue sky. In the foreground, there are large, light-colored stone blocks. A woman in a blue patterned dress and a blue headscarf is pushing a stroller. Other people, including children and adults, are scattered throughout the water play area, some sitting on the stone blocks and others playing in the water. The water play structures are tall and colorful, featuring green stems, yellow and orange umbrellas, and blue and red water features. A sign in the background reads "WATER PLAY AREA IS NOW OPEN!".
